The Godfather By Mario Puzo

The Godfather is Vito Corleone, a benevolent despot who stops at nothing to gain and hold power. He is a friendly man, a "reasonable" man, a just man -- and the deadliest gang leader in the Cosa Nostra.

The Godfather's command post is a fortress on Long Island. From it he rules a vast empire of extortion, gambling, bookmaking and unions. He bends cops, bureaucrats, politicians...and he does it without ever touching a gun or knife or even making a threat.

"Pulsates with dramatic and evil incident, brute rage and the naked terror of the infamous underworld." (Publisher's Source)

Editorial Review

Amazon.com Review

The story of Don Vito Corleone, the head of a New York Mafia family, inspired some of the most successful movies ever. It is in Mario Puzo's *The Godfather* that Corleone first appears. As Corleone's desperate struggle to control the Mafia underworld unfolds, so does the story of his family. The novel is full of exquisitely detailed characters who, despite leading unconventional lifestyles within a notorious crime family, experience the triumphs and failures of the human condition. Filled with the requisite valor, love, and rancor of a great epic, *The Godfather* is the definitive gangster novel.

From Library Journal

Diehard Godfather fans play second banana to no other subculture in their obsession with the minutiae of Puzo's novel and Coppola's films. These dedicated fans will be most disappointed by the new audio version, although perhaps only an hour of material is missing, but casual aficionados will barely notice the abridgment. Missing are the subplot involving Sonny's mistress, Lucy Mancini, and Dr. William Kennedy and the descriptions of the regional Mafia chieftains that precede the commission meeting at which Don Corleone flushes out Don Barzini as his number one rival. Actor Joe Mantegna does a fine job throughout, largely resisting the temptation to put on voices for too many of the characters. However, this cannot be said for his Don Corleone. Perhaps it is vengeance: after all, Andy Garcia, as the late Don's nephew, Vincent Mancini, put the hit on Mantegna's Joey Zasa in *Godfather III*, but whatever the reason, Mantegna gives Corleone a raspy falsetto-imagine the Pillsbury Doughboy with a tracheotomy-that ranks as one of the worst Brando impressions ever. Also, Puzo's chilling ending in which Kay converts to Catholicism with the hope of saving her husband's soul is inexplicably transformed into a chamber-of-commerce-style bromide about the family's new life in Nevada. Still, the popularity of Puzo's novel 27 years after its publication makes this abridgment a must-have.

Review

"The narrative bowls along... to keep readers turning pages all the way to an explosive showdown." * Daily Mail * "Here is all the classic material of Mafia mythology... spins a spell all its own" * The Times * "The Godfather, one of the most entertaining and absorbing popular novels of the postwar period... Puzo's masterpiece" -- Robert McCrum * Observer * "A splendid and distinguished blood saga of the Cosa Nostra, the American Mafia, and of the whirl created by five families of mafiosi at war in New York" * Sunday Times * "Puzo's genius was to create a world so thick with personality and acknowledged rules of behaviour, along with its crime and violence, that reading his books becomes a seriously guilty pleasure" * New York Post *
