### The Philosophy of Religion Reader From imusti

Reflecting current trends and research interests in the field - including the growing interest in religious diversity and global philosophy of religion - this broad and up to date introduction explores key writings from both the Western theistic tradition and from non-Western, non-theistic sources.

The nine sections cover:

- Religious Diversity
- The Nature and Attributes of God
- Arguments for and Against the Existence of God
- Science
- Faith and Miracles
- The Self and Human Condition
- Religious Experience
- The Problem of Evil and Suffering
- Death and the Afterlife.

With section introductions, discussion questions, extensive bibliographies and a supporting website featuring additional material, it is the ideal reference tool to help clarify important points and reinforce understanding.
