Dance Hall of the Dead (A Leaphorn and Chee Novel) By Tony Hillerman

Two Native-American boys have vanished into thin air, leaving a pool of blood behind them. Lieutenant Joe Leaphorn of the Navajo Tribal Police has no choice but to suspect the very worst, since the blood that stains the parched New Mexican ground once flowed through the veins of one of the missing, a young Zuñi. But his investigation into a terrible crime is being complicated by an important archaeological dig . . . and a steel hypodermic needle. And the unique laws and sacred religious rites of the Zuñi people are throwing impassable roadblocks in Leaphorn's already twisted path, enabling a craven murderer to elude justice or, worse still, to kill again.

Editorial Review

Review

"...as with all of Hillerman's other books on tape, *Dance Hall of the Dead* is compelling, colorful, and just complex enough to keep you interested, but not confused." -- *Catalyst*, September 1997

"An author's style has a lot to do with the success of an audio book...One writer whose works on the mark for listeners every time is Tony Hillerman...Hillerman is a former newspaper reporter, and his novels have a journalistic feel. His sentences tend to be straightforward, and they translate well to tape...An editor for Recorded Books said Hillerman's books are "very crisply written, and he leaves a lot to the imagination. Some writers put in too much detail. He leaves a lot of room for the listener."...Actor Michael Ansara, who has portrayed native Americans on television and in films, is the reader for Audio Partners' work. His reading is crisp and clear, with a touch of gravity." -- *Indianapolis Star*, September 1991

"High entertainment, an aesthetically satisfying glimpse of the still-powerful tribal mysteries." -- *The New York Times*
