### Editorial Review

#### From School Library Journal

Gr 7 Up—In this thrilling sequel to *Death Sworn* (HarperCollins/Greenwillow, 2013), Ileni has been separated from the dreamy and dark-eyed assassin Sorin in order to fulfill her destiny. In the midst of dangerous spell weavers, the formerly powerful sorceress has returned to the Empire that exiled her to infiltrate the Imperial Academy. The institution is where the best enchanters in the land train and hone their skills under the unforgiving hand of Karyn and the strongest learn to wield their power and serve the Empire. The protagonist hopes to destroy the Empire from within. But in the middle of her enemy's heart, she starts to doubt everything she's been raised to believe. Appealing to fans of Robin LaFevers's "His Fair Assassin" series and Kristin Cashore's *Graceling* (both Houghton Harcourt), there is some violence, but nothing too graphic. This novel will especially be appreciated by readers who enjoyed Cypess's previous volumes.—Clair Segal, LREI, New York City

"Mesmerizing." (Kirkus Reviews)

Praise for *Death Sworn*: "In a striking start to a new series full of magic and murder, Cypess has created a heroine at the intersection of Tamora Pierce's Alanna and George R. R. Martin's Arya Stark." (Booklist)

"[I]t's impossible not to fall deep into the dark yet alluring world of sorcery and secret assassins." (Teen Vogue)

"A thoughtful exploration of identity and responsibility wrapped in a twisty, suspenseful mystery and set in a gorgeously realized fantasy world." (Kirkus Reviews (starred review))

"Cypess masterfully depicts battles with daggers, spells, and wits. The surprising conclusion leaves readers hoping for a sequel." (Voice of Youth Advocates (VOYA))

#### From the Back Cover

Ileni could change the world.

She could do what she has always been trained to do: destroy the Empire. Her people want her to. The assassin she loves—who is now deadlier than ever—wants her to. But now that she knows her entire life was built on a lie, Ileni needs to see the truth for herself. Is the Empire truly as evil as she has always believed?

The answers lie in the Imperial Academy of Sorcery, a place where danger and temptation sit side by side. If her true purpose is discovered, she won't escape alive. But once she discovers what the imperial sorcerers can offer her, she may not want to leave. Ileni has found the one thing she never expected—a place where she belongs.

Except, this place has its secrets, too.

The truth is never purely evil or purely good. And Ileni no longer knows whose side she is on.
