Lorna Doone: A Romance of Exmoor (Oxford World's Classics) By R. D. Blackmore

This is the only critical edition of this perennially popular story. Sally Shuttleworth's introduction finds, beneath the idyllic evocation of rural bliss and a tale of love and high adventure, a startling sub-text which rigidly defends Victorian values, and portrays a 'manly' hero constantly having to prove his masculinity to himself.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
