### Editorial Review

#### Review

"*Writing Blockbuster Plots: A Step-by-Step Guide to Mastering Plot, Structure, and Scene* by Martha Alderson is specifically designed to demystify how story writing works. It shows aspiring writers how to track the seven most important elements of a scene on a Scene Tracker, and how to use her Plot Planner to develop a multi-layered plotline for each individual project. *Writing Blockbuster Plots* also provides useful analysis of scenes written by classic and contemporary writers such as Twain, McCarthy, London, Fitch, Chopin, and Letts, all of which will help show writers how to: Pre-plot Link scenes through cause and effect; Determine which scenes are flat and why; Set up tension, conflict and suspense; Develop complex characters; Establish compelling action; Re-vision rewrites; Clarify themes; Deepen and expand narratives. Detailed, comprehensive, insightful, instructive, and thoroughly 'user friendly' in organization and presentation, *Writing Blockbuster Plots* is exceptional and very highly recommended for aspiring writers."
