Bumps in the Night By John H Crowe III

Go ahead... Say your prayers Light your lamp Load your revolver It won't do any good. Pagan Publishing is proud to present Bumps in the Night: five non-Mythos scenarios of supernatural horror and mystery from author John H. Crowe III. Inside this musty tome you won't find deep ones, or shoggoths, or Great Old Ones, but you will find loathsome horrors perpetrated by both the living and the dead. Ghosts, demons, poltergeists, spirits and the undead are the order of the day. What horror is devouring the locals in "The Westerfield Incident?" What has caused the graves to open in "The Vengeful Dead?" Can the Investigators save themselves from "The Bitter Venom of the Gods?" Will they unravel the "Curse of the Screaming Skull?" Can they bring peace to "An Unsettled Mind?" It won't help your Investigators if they've read the Malleus Monstrorum or own their own copy of the core Call of Cthulhu (2nd - 6th Edition) rulebook. There's nothing in those well-thumbed volumes to help them here. In here, they're on their own.
