## Pregnant Butch: Nine Long Months Spent in Drag By A. K. Summers

First pregnancy can be a fraught, uncomfortable experience for any woman, but for resolutely butch lesbian Teek Thomasson, it is exceptionally challenging: Teek identifies as a masculine woman in a world bent on associating pregnancy with a cult of uber-femininity. Teek wonders, “Can butches even get pregnant?”

Of course, as she and her pragmatic femme girlfriend Vee discover, they can. But what happens when they do? Written and illustrated by A.K. Summers, and based on her own pregnancy, *Pregnant Butch* strives to depict this increasingly common, but still underrepresented experience of queer pregnancy with humor and complexity—from the question of whether suspenders count as legitimate maternity wear to the strains created by different views of pregnancy within a couple and finally to a culturally critical and compassionate interrogation of gender in pregnancy.

Offering smart, ambitious art, this graphic memoir is a must-read for would-be pregnant butches and anyone interested in the intersection of birth and gender, as well as a perfect queer baby shower gift and conversation starter for those who always assumed they “got” being pregnant.

### Editorial Review

#### Review

"This comic's strength is its ability not to devolve into the oversentimentality or overseriousness that marks many pregnancy narratives. Instead, it forges ahead and finds complex personal meaning, and great inner strength, in the experience of bringing a child into the world. Summers's voice is fresh, honest, biting, and funny."—*Library Journal*

"Summers is a good storyteller [and] in the best way, this story is a coming of age story. [...] It's hard not to melt when you meet her present family at the end of the book." —*Buzzfeed*

"Having a baby is a macho and delicate business, and A.K. Summers' *Pregnant Butch* shows how it's done with exquisite glory."—Jennifer Camper, editor of *Juicy Mother*

"I very much enjoyed reading *Pregnant Butch*. It's thoroughly engrossing and often very funny. I found a surprising amount to identify with, even though I will never be a butch lesbian or pregnant. Ms. Summers' book is happily recommended."—Howard Cruse, author of *Stuck Rubber Baby*

"Poignant and accomplished, A.K. Summers' *Pregnant Butch* is also fascinating. Revealing what it was like to be butch and pregnant, she questions how we inhabit roles that get at the core of our sense of self—and how we make them our own even when they are freighted with convention. Furthermore, Summers's deft artwork has great appeal: her line is a charming cross between Hergé and the Hernandez brothers." —Hillary Chute, author of *Graphic Women: Life Narrative and Contemporary Comics*

A.K. Summers' *Pregnant Butch* is a Tintin lookalike who embarks down the path to motherhood. If you made it through that sentence without your head spinning, then you're ready for one of the weirdest, wonderful-est pregnancy memoirs out there. Employing a variety of art styles (think Hergé meets Jaime Hernandez, with a little Jack Kirby thrown in for fun), Summers has crafted a wry, wise tale that guarantees a chuckle on every page. *Pregnant Butch* is an unsentimental, no-holds-barred book filled with insight and genuine feeling. (And you know you want to see Tintin pregnant!)—Josh Neufeld, author of *A.D.: New Orleans After the Deluge*

#### About the Author

A.K. Summers began working on *Pregnant Butch* in 2005, following the birth of her son, and, in 2012, serialized it on webcomics site Activate Comix. A longtime artist, Summers is the creator of *Negativa: Chicago's Astute Lezbo Fantasy Mag*, and was included in Dennis Cooper's *Discontents: New Queer Writers*. Summers lives with her partner and son in Providence, Rhode Island.

### Users Review

#### From reader reviews:

#### Alice Lawson:

Now a day people who Living in the era exactly where everything reachable by connect with the internet and

the resources inside it can be true or not demand people to be aware of each details they get. How a lot more to be smart in acquiring any information nowadays? Aim to pick one book that you never know the inside because don't judge book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer might be Pregnant Butch: Nine Long Months Spent in Drag why because the great cover that make you consider in regards to the content will not disappoint anyone. The inside or content is fantastic as the outside or cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Pamela Dodge:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Pregnant Butch: Nine Long Months Spent in Drag can make you really feel more interested to read.
