Something Fresh By P.G. Wodehouse

The one thing that could be expected to militate against the peace of life at Blandings is the constant incursion of impostors. Blandings has imposters like other houses have mice. On this particular occasion there are two of them - both intent on a dangerous enterprise. Lord Emsworth's secretary, the Efficient Baxter, is on the alert and determined to discover what is afoot - despite the distractions caused by the Hon. Freddie Threepwood's hapless affair of the heart. The first "Blandings Castle" novel sets the standard for the parade of impostors on the premises.

Editorial Review

Review

"Something Fresh has all the trademarks of a Wodehouse classic" The Times "A delightful centenary edition" -- Claire Allfree Metro, Best Books of 2015

From the Back Cover

A Blandings novel This is the first Blandings novel, in which P.G. Wodehouse introduces us to the delightfully dotty Lord Emsworth, his bone-headed younger son, the Hon. Freddie Threepwood, his long-suffering secretary, the Efficient Baxter, and Beach the Blandings butler.

As Wodehouse wrote, 'without at least one impostor on the premises, Blandings Castle is never itself'. In Something Fresh there are two, each with an eye on a valuable scarab which Lord Emsworth has acquired without quite realizing how it came into his pocket. But of course things get a lot more complicated than this...
