The Internet Escort's Handbook Book 1: The Foundation By Amanda Brooks

Perfect for the newbie escort as well as the seasoned sex worker looking to maximize her online presence and upgrade her business. The foundation for safe, sane, successful Internet escort work -- by an escort for escorts. Men have found it intriguing as well! This ground-breaking book addresses:

- Decide whether escort work suits your personality
- Maximize your unique personal appearance
- Discover personal boundaries and how to maintain them
- Decide how much personal information to reveal
- Prioritize good health and hygiene
- Know condoms better than your average Jane
- Sample escort work and re-evaluate your approach
- Understand the limits of your personal energy
- Provide insight to both women and men on the inner workings of the escort world

Written by escort, advocate and expert Amanda Brooks, the first book in this series relays a wealth of information in a clear, concise and approachable manner. Prepare yourself for a myth-exploding examination of what sex work requires and an up-close-and personal look of a mysterious and often maligned business.

Editorial Review

Review

The Internet Escort's Handbook is a delightful, well thought-out look at modern-day escorting. Author Amanda Brooks has taken up the task of addressing every question about physical and mental health that a woman could ask before she becomes a sex worker who advertises through the Internet.

- \$pread Magazine

Brooks has written the Handbook in a conversational style that is highly appealing; a style, one might add, that is difficult to implement effectively. The authorial tone used throughout is chatty, yet astute, and informative, without being dull.

- Electronic Journal of Human Sexuality

In the same way a secretary is provided with an office manual and a writer has a writer's guide for reference, Amanda Brooks has brought to the market an intelligent, one-of-a-kind book that any woman working as an escort should not do without.

- FemmeVIP.com

Every woman considering an adult entertainment career should buy this book and take the advice that Amanda is providing. This book has vital information you will need to know.

Dolores French, author of *Working: My Life as a Prostitute*

From the Back Cover

Amanda takes a subject that makes most people blush, go silent or laugh and gives it the honest, human touch it needs. Not only does she explain how the business can affect you, she shows how you can control your own business and life by making informed choices. Even if you wouldn't be an escort in a million years, seeing the power a smart woman can exert over her life is something we all can use.

-- **Ms. Lisa**, Founder of EscortSupport.com, the largest community and resource site for professional escorts on the Internet

The first reference series of its kind...

If you've ever wondered what it's like to be an escort or have considered working as an escort, then you've probably wondered things like:

Is this something I should be doing?

Do I need to look like porn star to make money?

What will clients expect from me?

What are my real health risks?

These questions are just a few of the many issues discussed in this groundbreaking book. Read the Table of Contents for a detailed overview.

Every woman considering an adult entertainment career should buy this book and take the advice that Amanda is providing. This book has vital information you will need to know. It's a perfect companion to read with my book, *Working: My Life as Prostitute*. Mandatory reading!

-- **Dolores French**, author of *Working: My Life as a Prostitute*

Amanda Brooks may be the closest to an American Geisha we will ever see; the cultivation of what is beautiful in human interaction transcends even the author's exceptions, I think. The book was designed to educate, inform and improve the lives of Internet escorts, but it is clear, there is no man or woman who could not benefit from the wisdom of this book...This should be required reading for every woman and man who has ever wondered about the why's and how's of the opposite sex...I may have learned as much about women and my relation to them in the first fifty pages of this book as I learned in my first forty years of life. *The Handbook's* online Resources. -- **Brent Kenton Jordan**, author of *Stripped*

About the Author

Amanda Brooks is one of those rare people who have always been drawn to the adult industry. She was in her last year of college when she decided to enter the industry by cocktailing at a leading Dallas gentleman's club. Six months later, she advanced to stripping. She danced for the next four years; working her way around the major clubs in Dallas and Las Vegas. At 26, still curious, she placed an escort ad online for a weekend. That experiment was a success so she quit stripping and began building her business as an independent escort. Although based in Dallas, she worked in over 15 major cities during her escort career. She retired from escorting just shy of 29 and began working on a book for escorts.

The idea for *The Internet Escort's Handbook* was born only a few months after she began escorting. The general lack of reliable information and the complete lack of all necessary information in one resource led her to feel that there was a need for an escort's handbook. Her, and others', experiences in the business showed her that such a reference guide was essential to an escort's safety and well-being, both personally and professionally.

Born and raised in Texas, Amanda has traveled all over the U.S. and internationally for business and pleasure. She holds a Bachelor's Degree with a double-major in photography and English. *The Internet Escort's Handbook Book 1: The Foundation* is her first book.

Users Review

From reader reviews:

Henry Jensen:

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a go walking, shopping, or went to typically the Mall. How about open or perhaps read a book allowed *The Internet Escort's Handbook Book 1: The Foundation*? Maybe it is for being best activity for you. You already know beside you can spend your time with the favorite's book, you can better than before. Do you agree with its opinion or you have other opinion?

Traci Daniels:

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy person? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you

have extra time? What did you do? All people has many questions above. They must answer that question simply because just their can do that will. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of The Internet Escort's Handbook Book 1: The Foundation to read.

Geraldine Louis:

Do you have something that you want such as book? The publication lovers usually prefer to decide on book like comic, quick story and the biggest one is novel. Now, why not hoping The Internet Escort's Handbook Book 1: The Foundation that give your entertainment preference will be satisfied through reading this book. Reading addiction all over the world can be said as the way for people to know world considerably better then how they react to the world. It can't be stated constantly that reading routine only for the geeky person but for all of you who wants to become success person. So , for all of you who want to start reading as your good habit, it is possible to pick The Internet Escort's Handbook Book 1: The Foundation become your own starter.

Pamela Watkins:

Your reading 6th sense will not betray an individual, why because this The Internet Escort's Handbook Book 1: The Foundation book written by well-known writer who knows well how to make book that may be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and producing skill only for eliminate your current hunger then you still doubt The Internet Escort's Handbook Book 1: The Foundation as good book not only by the cover but also with the content. This is one reserve that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this kind of!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.
