Trancework: An Introduction to the Practice of Clinical Hypnosis By Michael D. Yapko

Trancework, the most comprehensive guide to learning the fundamental skills of clinical hypnosis, is now available in an updated and improved third edition. Yapko clearly and dynamically introduces readers to a broad range of hypnotic methods and techniques that will greatly enhance the effectiveness of preferred modes of therapy. Chapters are filled with new and practical information, including extensive academic references, sample transcripts, thorough summary tables of key points, and interviews with leading figures in the field-Jay Haley, Theodore X. Barber, Ernest R. Hilgard, David Spiegel, Jeffrey Zeig, and Karen Olness, among others. This new edition specifically addresses the growing emphasis within psychotherapy on proving efficacy through empirical data, the controversy of repressed memory that has divided the profession, and the advances in cognitive neuroscience that are stimulating new research. For newcomers, *Trancework* is an authoritative primer, demystifying hypnosis and offering step-by-step instruction for integrating it into clinical practice. Those familiar with hypnotic procedure will welcome Yapko's presentation of influential theories, controversies, treatment approaches, and rich case material. All readers alike are guided through personal and professional enrichment as they discover the art and science of clinical hypnosis as presented in this essential guide.

Editorial Review

Review

'Yapko has made the best text on hypnosis even better. His commitment to sound science, clarity of reason and pragmatic applications is communicated with a passion in this new edition of Trancework. The freshness of information and skills, built on the wisdom of former editions, make this a state-of-the-art book for every therapist who wants to be (and shouldn't we all be?) a state-of-the-art practitioner.' - *George W. Burns, clinical psychologist, Author, 101 Healing Stories and Standing Without Shoes*

About the Author

Michael D. Yapko is a clinical psychologist and marriage and family therapist in private practice. He is a national and international trainer in brief therapy approaches to psychotherapy and director of The Milton H. Erickson Institute of San Diego. Yapko is internationally recognized for his work in the active treatment of depression, the use of clinical hypnosis and his advancement of the use of outcome-focused, short-term psychotherapy.

Users Review

From reader reviews:

James Alvarez:

What do you about book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. They should answer that question due to the fact just their can do that will. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this specific Trancework: An Introduction to the Practice of Clinical Hypnosis to read.

Donald Link:

Now a day people that Living in the era everywhere everything reachable by match the internet and the resources inside can be true or not require people to be aware of each data they get. How individuals to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Examining a book can help folks out of this uncertainty Information especially this Trancework: An Introduction to the Practice of Clinical Hypnosis book since this book offers you rich data and knowledge.
